This matter comes before the Public Service Commission of South Carolina ("Commission") on an application filed by Jamie Boris d/b/a Gentle Movers for a Class E Certificate of Public Convenience and Necessity, seeking to move household goods in Charleston, Berkeley, and Dorchester Counties. A hearing on this matter was held in the Commission's hearing room on March 3, 2009. After Mr. Boris's testimony, the Commission feels it needs more information regarding his business plan, knowledge of safety regulations, and the administrative requirements of operating a moving business. Therefore, it is ordered that Mr. Boris's application will be held in abeyance for 30 to 60 days to allow him to come back before the Commission to address these areas of concern. A new hearing on this matter has been scheduled for Tuesday, May 26, 2009.
